

the Right Insurance

**A guide to choosing the right RV coverage
for your needs... only from Good Sam VIP**

Why you need specialized RV coverage

**90% of RVs are at risk.
Don't let your RV be one of them!**

A recent study revealed that 90% of RVs may be underinsured.¹ If you cover your RV with ordinary auto insurance, you could be exposing yourself to serious financial risk or paying too much for coverage that doesn't fit your needs.

Fortunately, the Good Sam Club makes it easy to get the specialized RV coverage you really need. For more than 50 years, savvy RVers have relied on the experts at Good Sam to provide the information, services and discounts they need to get the most out of RVing. So when the club designed an RV and auto insurance plan, they teamed up with America's #1 RV Insurance Specialist,¹ GMAC Insurance, to make sure it provided **the specialized protection no RVer should be without, at exclusive money-saving rates.**

See how the Good Sam Vehicle Insurance Plan stacks up against ordinary auto insurance.¹

Full Replacement Cost Coverage could save you thousands

With this optional coverage, if your RV is totaled or stolen (and not recovered) in its first five model years, it will be replaced with a comparable new RV, even if you're not the original owner.

After the first five model years, you will receive your full original purchase price — not a depreciated amount — toward the purchase of the replacement RV.² Most ordinary auto insurers will pay only a “depreciated book value.” As the chart below illustrates, that's often tens of thousands less than the cost of a new RV!

	With Good Sam VIP Full Replacement Cost Coverage	Without Full Replacement Cost Coverage
RV purchase price	\$100,000	\$100,000
Likely value after five years	\$67,000	\$67,000
Typical loan balance, based on a 15-year loan	\$75,000	\$75,000
Settlement	New RV of the same type	\$67,000
Value difference in the first five model years	You have a brand-new RV and the same or similar loan balance as before. And more importantly, you're back on the road!	Insured has no RV and owes the bank \$8,000
Value difference after five model years	Original purchase price — \$100,000	Actual cash value at time of loss — even less than \$67,000

“Our 40-foot Holiday Rambler was burnt to the ground...”

Imagine how you'd feel if you got the news Good Sam Members Gary and Eva D. of Port Hueneme, CA, received on June 30, 2005. Their 40-foot 2001 Holiday Rambler Endeavor, along with 18 other RVs, had been destroyed in a fire at a storage facility.

“Luckily, we had the best insurance available,” Gary said. “We were told that we had full replacement coverage and [were asked] to shop around for a new '05 with the colors and floor plan we liked.”

Just 32 days after the fire, the Davidson's drove away in their brand-new Endeavor — and they paid nothing but their deductible! Gary wrote to Good Sam VIP six months later to report that while they'd already put 12,000 miles on their new RV, the owners of the other burned RVs were still fighting with their insurers for a fair settlement.

Good Sam VIP's Storage Option can save you hundreds when you're not using your RV

Most insurers won't tell you this, but you're not legally required to pay for collision and liability coverage during the months you're not using your RV.

That's why Good Sam VIP lets you save money by suspending these coverages while your RV is off the road for a minimum of 30 days. Your comprehensive coverage stays in force to fully protect your RV against fire, storm, wind and theft.

Just six months of this exclusive Storage Option could save you up to \$400!

"Having spent two days in our motorhome facing 50 mile-per-hour winds and heavy rains during Hurricane Frances, we suffered damage to both slide-out awnings and some interior water damage. Shortly after contacting [Good Sam VIP], an adjuster came and an estimate was sent in. We received a check and had the damage repaired soon enough to go to an RV rally that we had planned on. We were sure we would not get claim settlement and repairs in time to be able to attend. The service by [your] claims people was extremely courteous and prompt. Thanks for the excellent personal attention to our claim."
